These things happened to them as an example and were written as a warning for us to whom the end of time has come. So those who think they are standing need to watch out or else they may fall. No temptation has seized you that isn’t common for people. But God is faithful. He won’t allow you to be tempted beyond your abilities. Instead, with the temptation, God will also supply a way out so that you will be able to endure it.

God is our refuge and strength, a help always near in times of great trouble.
