**MEXICO MEDICAL MISSION TEAM** members are excited to announce that their next medical mission trip to Mexico is April 1 - 10, 2016. The team once again travels to the towns of Tatoxoc and Ixtepec and surrounding areas. These villages are located in the state of Puebla. Free health care will be provided to the poor people. The team’s mission is to show the indigenous people that God loves them. Through their work, team members hope many will receive Jesus as their Savior. They sow the seed the best they can and trust that God will bring the harvest.

Our Mexico Medical Mission Team is organized through the United Methodist Church and is part of the Holston Conference project. The team has been blessed in the past with your generosity and prayers. They request that you start praying for the success of this year’s mission trip. The team looks forward to serving our Lord in the capacities He has given to each of them. So then, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath; for the wrath of man does not produce the righteousness of God. Therefore lay aside all filthiness and overflow of wickedness, and receive with meekness the implanted word, which is able to save your souls. But be doers of the word, and not hearers only, deceiving yourselves. For if anyone is a hearer of the word and not a doer, he is like a man observing his natural face in a mirror; for he observes himself, goes away, and immediately forgets what kind of man he was. But he who looks into the perfect law of liberty and continues in it, and is not a forgetful hearer but a doer of the work, this one will be blessed in what he does.
